Short description

The Self-Adhesive Paper Fasson Vellux FSC Supertack is a high-quality, eco-friendly labeling solution that combines superior print performance with strong adhesion.

This product is designed for applications that require both aesthetic appeal and durability, making it a versatile choice for various labeling needs.
Key Features:
• Fasson Vellux Paper: This paper features a smooth, vellum finish that ensures crisp, clear printing with excellent ink absorption. The texture provides a sophisticated look, making it ideal for premium labels.
• FSC Certified: The paper is sourced from responsibly managed forests, carrying the FSC (Forest Stewardship Council) certification. This ensures that your labeling needs are met with a commitment to environmental sustainability.
• Supertack Adhesive: Equipped with the powerful Supertack adhesive, this paper adheres firmly to a wide range of surfaces, including those that are typically challenging for standard adhesives. It is particularly effective on uneven or slightly textured surfaces, ensuring your labels stay in place.
• B2 Size Format: The sheets come in the B2 size, offering ample space for large label designs or multiple smaller labels per sheet. Each pack contains 250 sheets, providing a generous supply for extensive labeling projects.
Applications:
• Product Labels: Perfect for creating high-quality labels for products, especially in industries where a premium look and feel are important, such as cosmetics, food, and beverages.
• Eco-Friendly Branding: Ideal for brands that prioritize sustainability and want to convey this through their packaging and labeling, thanks to its FSC certification.
• General Labeling: Suitable for a variety of labeling applications where strong adhesion and a high-quality finish are required.
The Self-Adhesive Paper Fasson Vellux FSC Supertack B2 is the ideal choice for those looking to combine environmental responsibility with outstanding labeling performance. Its combination of a premium vellum finish, strong Supertack adhesive, and FSC certification ensures it meets both your functional and sustainability needs. Whether for product labeling or general use, this paper delivers excellent results every time.
