Short description

Matt polypropylene film combining the well known properties of matt finish, with an abrasion and scratch resistant surface.

This film is setting new standards in protecting your printed products, in combination with a permanently perfect surface.
• Abrasion and scratch resistant surface
• Well-suited for UV spot varnishing (preliminary testing required)
• Suitable for hot stamping foil (preliminary testing with special adapted types of stamping foil might be required)
• Gluable (preliminary testing might be required)
